

Have you seen these?

On your next visit to Country Connections, be sure you take a look at our lighted stems. They can be used in the entry ways of your home, in floral arrangements, with berry picks in a basket or anywhere you want a cozy, warm welcome.

Be one of the first to get a decorative flag and coordinating mailbox cover from our new flag company. The mailbox covers include a front face for a great curbside appeal.

Starting in October, Country Connections will have a full time floral designer! Shelby Alexander will create silk arrangements that are sure to beautify your home or office. Also in October, for the first time ever we will

be offering a large selection of Christmas ornaments that we can personalize for you. We are now growing four acres of pumpkins, gourds, and Indian corn in anticipation of our second annual Fall Day on October 9. There will be a horse-drawn wagon taking anyone wanting to pick their own pumpkin, down to the patch. Great photo opportunities await!

Our friendly, knowledgeable staff are ready to help you with all your shopping needs.
